Body rejuvenation treatments

The body rejuvenation treatments stimulates the burning of fat cells, increases the resilience of the skin and firms the silhouette. The use of deep-working ultrasound and effective active ingredients provide sustainable support for achieving firm and beautiful skin.

.....
SUSANNE KAUFMANN™ signature body rejuvenation treatment (95 min) 177 €

Optimal, deep-acting treatment for a firm silhouette.

- A detox oil scrub improves blood circulation and stimulates the detoxification process
- The subsequent film wrap pushes the fat cells together through compression, forcing water and toxins out of the cells, which the therapist drains away during the wrap with gentle pumping movements.
- The final fascia massage releases accumulations in the tissue, improves the metabolism, supports the creation of collagen and thus consolidates the cross-connections of the connective tissue. The silhouette undergoes overall firming.

Body rejuvenation ultrasound treatment

The ultrasound waves deliver the anti cellulite serum deep into the tissue to support metabolic activity. The removal of fat cells is supported and the skin is ideally prepared to absorb active ingredients. anti cellulite cream is subsequently massaged in.

.....
 Legs and bottom (50 min) 110 €

Legs, bottom, stomach and arms (80 min) 162 €

.....
Body Rejuvenation wrap (45 min) 85 €

Highly effective firming body pack that works like a drainage treatment to remove toxins. The film wrap pushes the fat cells together through compression, pushing water and toxins out of the cells. These toxins are drained away with the aid of targeted pump movement techniques. The anti cellulite cream in the wrap supports the complex processes of the treatment.

.....
Body rejuvenation lymph drainage partial body treatment (40 min) 69 €

Lymphatic drainage stimulates the metabolism in the tissue and enables better removal of fat cells. Accumulated protein cells are relaxed and can resume their tissue-tautening and firming function.

.....
Preparative TCM DETOX oil scrub (30 min) 49 €

The detox peeling opens the channels of the dermis from which the toxins can escape. Special elimination points are stimulated in order to promote the circulation of the tissue and the elimination of toxins.

Alkaline applications

A good acid-alkaline balance is the prerequisite for the well-being of the body and beautiful skin. Today's lifestyle often leads to an excess acidity. Alkaline body care neutralises acids and helps the skin to naturally excrete toxic substances. This promotes stress relief, general regeneration and releases blocked energy. This is also ideal for hypersensitive skin and neurodermatitis.

.....
Alkaline facial treatment (80 min) 121 €

An extremely effective facial treatment especially recommended during a **TCM DETOX** regimen, consisting of an intensive cleansing, deacidifying fleece mask, pampering massage and deeply effective products. The treatment helps the skin to free itself from acidic remnants and brings it back to its natural balance. The regeneration process of the skin is supported, the appearance of the skin is significantly improved, the cells are filled with new energy and the skin retains a feeling of wonderful harmony.

.....
Alkaline medical foot care with foot massage (55 min) 74 €

The feet can be seen as useful elimination organs and auxiliary kidneys. Alkaline footbaths gently detoxify and make the feet beautiful.

- Welcoming alkaline tea
- Alkaline footbath for relaxation
- Alkaline wrap for the legs
- Medical foot care with foot massage

.....
Alkaline bath (25 min) 32 €

It helps the skin to deacidify, stimulates the elimination of toxins and releases blocked energy, whilst simultaneously having a relaxing effect. Particularly recommended for skin prone to dryness and flakes, as well as after sporting activities.
