

Facial Treatments for Women

The professional knowledge and empathy of our certified spa therapists will bring your outer and inner beauty into balance. In order to achieve an optimal result and the desired sustainability, the treatments and products are perfectly tailored to your skin's needs.

Cleansing facial treatment (55 min) 85 €

A basic treatment individually tailored to the skin's needs where the skin is clarified with steam, a mild peeling, deep cleansing and effective products. These treatments leave behind skin that feels clear and fresh.

Individual facial treatment (80 min) 121 €

An extremely effective facial treatment tailored especially to the condition of the skin consisting of a mild peeling, intensive cleansing, nourishing mask, pampering massage and deeply effective products. The condition of the skin is improved, the cells are filled with new energy and the skin retains a feeling of wonderful harmony.

Sensitive

A treatment tailored to the needs of facial skin that is sensitive, irritated or prone to couperose. The use of a calming active ingredient compound and lymph drainage reduces redness and gently brings the skin back into a natural balance.

Moisturising

A regenerating and smoothing moisture kick through the application of highly concentrated moisturising active ingredients. The skin is supplied with important minerals, vitamins and trace elements. The resilience and mild moisture wrinkles are improved immediately.

Clarifying

The intensive cleansing and vitalising enzymatic peeling refines the pores and has an antibacterial effect. After the peeling, the skin is ready to absorb highly concentrated active ingredients and is regenerated and clarified through the gentle lymph drainage and deep-cleansing mask.

Alkaline

The treatment brings it back to its natural balance. The regeneration process of the skin is supported, the appearance of the skin is significantly improved and the cells are filled with new energy.

Detox facial (40 min) 63 €

During the detox treatment, the tissue is unblocked and detoxified through manual lymph drainage, making the facial contours taut and firm. The gentle massage also helps with the unblocking of swollen eyelids and minor skin impurities.

Individual ultrasound treatment for facial treatment (20 min) 43 €

The vibrations of the ultrasound penetrate into the deep layers of the skin and, combined with intensive ingredients and serums, optimise the success of the treatment. The applications lead to an activation of the skin tissue and a significant improvement of various skin problems such as acne, couperose or scars.

Bookable in addition to facial treatments

Natural Anti Aging Treatments

The Natural Anti Aging Treatments are based on the following focuses: highly effective products from the Anti Aging Facial Care Line A by **SUSANNE KAUFMANN**™ which improve all premature signs of skin aging. Deeply effective ultrasound takes the active ingredients deeper, encourages the detoxification process and stimulates the body's own collagen synthesis. Stimulating fascia deep tissue techniques and a facial massage support the lymphatic flow and the microcirculation in order to preserve the firmness of the facial connective tissue.

Natural Advanced Anti Aging Treatments

The Natural Advanced Anti Aging treatments are the perfect combination to successfully combat the signs of time such as the slowing of the metabolism, the scarcity of the collagen fibres, the lack of moisture, the regression of the natural synthesis of the skin lipids hyperpigmentation and the resulting wrinkles. The new Advanced Anti Aging product system is the basis for the treatments.

Advanced anti aging facial treatment (80 min) 197 €

A special programme for mature and demanding skin. The treatment helps to visibly reduce hyperpigmentation, reduce wrinkles and refine the complexion. The jade roller harmonises the complexion and, in traditional Chinese medicine, is the symbol of beauty, grace and longevity.

- Careful cleaning of the face, throat and décolletage.
- Enzymatic peeling for the gentle removal of dead skin
- Massage in the skin lightening and radiance complex for the removal of hyperpigmentation with a special fascia short massage
- Followed by ultrasound treatment to work in the active ingredients
- Massage in the moisturising hyaluronic serum with the jade roller
- Highly concentrated lifting mask provides an immediate firming effect
- Daily care with the Advanced Anti Aging System

Advanced anti aging hand treatment (65 min) 125 €

A special programme for the sensitive, stressed skin on the hands to remove the first signs of aging. The treatment helps to visibly reduce hyperpigmentation and smooth the skin of the hands. In order to prevent wrinkles and liver spots on the hands, the skins needs substances that form collagens, vitamins and antioxidants. These are found in the special, highly effective hand care products from **SUSANNE KAUFMANN**™ organic treats.

- Immediate cleansing of the hands
- Mild peeling for the gentle removal of dead skin
- Massage in the skin lightening and radiance complex for the removal of hyperpigmentation with the help of deeply effective ultrasound
- Massage in the moisturising hyaluronic serum with the jade roller
- Highly concentrated lifting wrap for an immediate firming effect
- Subsequent care with nail oil and hand cream

SUSANNE KAUFMANN™ Bespoke Rejuvenating Facial

The new beauty treatment by **SUSANNE KAUFMANN**™ is the essence of 15 years of experience, luxury and skin care. The treatment counteracts the signs of aging and reduces the effects of harmful environmental influences. Three active vitamin complexes are applied in combination with fascia massages to defuse the influence of harmful pollution, strengthen microcirculation, stimulate collagen production and accelerate the regenerative process to rejuvenate the skin. The result is a beautiful, healthy skin and a youthful, radiant complexion.

- The perfect indulge program for the demanding skin begins with a purifying base foot bath and an accurate skin history. According to the diagnosis is started on the fascia in the neck.
- Then the face carefully cleaned and applied the revitalizing enzyme peeling. During the exfoliation gently unties the dead skin, you will receive a relaxing cosily head massage to put you in a state of complete calm and inner balance.
- A unique vitamin C complex is incorporated with a special massage technique and acts as a highly effective radical catcher.
- The vitamin A complex strengthens the connective tissue and works together with the lifting mask into the deep skin layers.
- A connective tissue massage strengthens the natural repair function of the skin.
- Finally, a Q 10 complex is incorporated with the Jaderoller. The result is an improved resilience, softened wrinkles and youthful look.
